The Fair Housing Council of Oregon (FHCO) is a statewide civil rights organization that proactively promotes housing justice, equity, and inclusion. Our mission is to end illegal housing discrimination and promote equal access to housing choice through education and enforcement of fair housing law.

If you think you have faced discrimination, or if you would like more information about your rights, you may **email enforcement@fhco.org** or visit our website at www.fhco.org and **click the button that reads "Report Housing Discrimination"**. All of our services are free and confidential.
